3 February 1967

Dear Mr. Weisberg,

It is nice to receive your note of January 28, 1967 and ~~the~~ complimentary copy of your book.

I enclose a copy of my review of your fine book and next week when I get an extra copy I'll mail you the one Dr. Lane's book in ~~my~~ the ~~October~~ December issue of the American Bar Association Journal.

I'll count it a great pleasure to talk the problem over at lunch some day when you are in town and away from your chickens.

Between teaching and consulting I have limited time especially at luncheon so give me a date a week ahead so I can plan to be free. A Saturday is good too.

You and I buy our papers from Abe Schots and Mr. Nash so I know all about you.

Sincerely,
